CHAIRMAN'S INFORMATION REQUEST NO. 4, QUESTION 3**
(May 21, 2014)

The United States Postal Service hereby provides a supplemental response to Chairman's Information Request (CHIR) No. 4, Question 3. An initial response to Question 3 was filed on May 6, 2014. That initial response, in part, stated that the Postal Service would need additional time to gather the requested mailer-specific billing determinant data. That process has now been completed. Attached is the Postal Service's supplemental response.

Respectfully submitted,

SUPPLEMENTAL RESPONSE OF THE UNITED STATES POSTAL SERVICE TO
CHAIRMAN'S INFORMATION REQUEST NO. 4

3. Please provide quarterly billing determinant data for PHI from FY 2013 Quarter 1 through FY 2014 Quarter 2.

SUPPLEMENTAL RESPONSE:

Attached is an Excel file containing the requested quarterly billing determinant data for PHI. The data may differ in certain quarters from what was previously reported, for a number of reasons. The billing determinant data is based on actual entry date, rather than nominal mail date, which was used for the calculation of the impact of the exigent price change. Additionally, Q1-Q3 of FY 2013 are missing the volume from one catalog title which was acquired by PHI during that time period. As a result, the data for this title cannot be retrieved for inclusion in computing the billing determinants.
